PRINCIPAL’S NOTES:

STEPS TO LEARNING ASSEMBLY
We had a special assembly on Monday at which each grade level showcased an aspect of their work over the last three weeks. At the beginning of each school year, all classes focus on getting to know each other, establishing routines, expectations and more generally, setting the scene for the year to follow. Students learn about their rights and their responsibilities along with why learning is important. The steps to learning approach encompasses our school values and underpins the ongoing development of good learning behaviours.

A special treat was having our new preps join the rest of the school for the first time at assembly. The preps also presented an item to the delight of an appreciative audience. It was terrific to see many of our parents / grandparents joining us for this special assembly, thank you!

Thank you also to our students and staff for the terrific job they have done in settling into school and contributing an item at our special assembly.

CANTEEN USERS’ SURVEY
Many school canteens are struggling due to a range of factors including less volunteers, tougher food regulations, issues with allergies and government bans on profit-making junk food. Our School Council oversees the management and operations of the canteen and whilst it isn’t expected to make a profit, it does have to cover its costs.

In 2012, School Council had to reduce the canteen manager’s hours to arrest a growing canteen deficit. Before further decisions are made regarding the longer term viability of the canteen, School Council seeks the opinions of parents, staff and students. Please look out for the Canteen Survey being sent home to every family and feel free to complete it and return the survey by Friday 1st March. We will be very grateful for your input.

PFA (Parents & Friends Association)
Our students and staff are indebted to the PFA and the work they do in supporting a range of school programs. As well, the PFA raises valuable funds for the school with the help and support from many of our families.

Like the canteen which struggles for helpers, so too is the PFA struggling to have enough helpers so please read a letter to all from the PFA President, Bridget Ramaekers in the Linkletter along with notice of the forthcoming Annual General Meeting. The PFA would gladly welcome new members so don’t hesitate to join this vibrant and very productive group.

Our Learning Journey

LEARNING on our CURRICULUM DAYS

While the children are away tomorrow our staff are going to be participating in a full Professional Learning Day based around Literacy. A core focus in 2013 is to ensure that we continue to build consistency when teaching literacy skills in all classrooms from Prep to Six.

There are fundamental steps that need to be taken to ensure a child’s literacy skills are being strengthened and built on.

Teachers need to know how to assess students’ Literacy skills.

Teachers need to know how to analyse the assessment to identify what a child already knows and what their next point of learning is.

Teachers need to be able to transfer this analysis into practical, instructional practice, resulting in the lessons and explicit teaching that targets each child’s individual needs.

Tomorrow we will have a Literacy Consultant, Cheryl Lacey, working with our staff on all of these steps and more. We know that by providing all of our teachers with the same sound level of knowledge, regardless of their level of experience, the consistency we seek to build will occur. This building knowledge will travel through the school, strengthening the Literacy Learning Scaffold and benefiting all of our children.

As well as tomorrow, we have four hours of after school Professional Learning planned with Cheryl in the coming weeks and next term. This will provide an opportunity for staff to put their own learning into practice and come back to reflect and learn more. I know we will get a lot out of tomorrow and I look forward to seeing improved Literacy practice in all classrooms. We already have great Literacy teachers but learning is never finished, regardless of age and experience, and we can always aim higher ~ especially when it comes to our kids!

The Welcome Back Special Lunch Order was due back today. Any orders received next week will be returned to the child as I will have already placed the necessary orders. Hope all those participating from grades 1-6 are looking forward to a fresh and yummy lunch next Wednesday, 27th Feb. Just a reminder that there will be no other lunch orders available on that day.

Please make note of the following changes to the Canteen Price List: Vanilla Dixie Cups are no longer available due to the supplier no longer stocking them, & the Chocolate Smartie Pants Cookies are available for $1.00 and can be purchased over the counter at lunch recess or through the lunch orders. A reminder also that all frozen snack items & jellies must be purchased over the counter at lunch recess sales time. If they are listed on your lunch order, the money will be returned so you can come over to purchase it at the right time.

The roster is still looking a little sad on the following days:

SECON HAND UNIFORM SHOP … Help needed!

We are looking for volunteers to help run the second hand uniform shop on Monday and Friday mornings between 8.30am & 9am. If you could spare one morning a fortnight that would be a huge help. Please call Amanda on 0405 718 770 or drop in and see us.

If you have school uniform to sell that is in good, clean condition, simply write your child's name & grade on an envelope for each item and send it to the uniform shop. As the second hand uniform shop is a fundraising activity for the school, a small percentage of the sale price is deducted and the balance returned to the seller. All of the funds raised during the year are put towards resources for the school. More information can be found on the school website. (Parent tab)

SPORT REPORT - DISTRICT TENNIS SUCCESS
Glen Katherine PS was well represented by students Abbey R, Taya H, Branden M and Artie L in the District Tennis Tournament held last Monday 18th February at the Plenty Tennis courts. The students played 4 matches in a round robin competition against students from schools in the Diamond valley District. Special congratulations to Artie L who won through to qualify as one of the two District representatives. An excellent achievement. I wish Artie all the best at the next Level of competition.

DISTRICT SWIMMING CHAMPIONSHIPS The District swimming titles will be held at the Greensborough Water-Marc Pool next Tuesday 26th February. The team has been preparing well with excellent numbers attending the after-school training sessions at the Diamond Creek Pool. Good luck to the team.

GK FUN RUN Students from Gr prep – 6 have started preparing for the School Fun Run which will be held on Weds 27th March. Students have been running laps of the fitness track in their PE lessons and with their class teachers to improve fitness levels and prepare for the Fun Run. Students record their laps scored on a personalised fitness recording sheet so that they can map their progress. Great to see so many students striving to achieve their own personal bests.

Hi All,

Welcome back everyone. I would like to take this opportunity to especially extend a warm welcome to all the new families that have joined our GK community. I am sure your children have settled well into prep and across other year levels throughout the school.

My name is Bridget and I am the president of our PFA (Parents and Friends Association). The PFA is a group of parents that meet monthly to organise a variety of activities and services across the school. What do we do? Good question, we do lots! We fundraise, organise social events for families, parents & students, sell second hand uniforms, we welcome new families to the school in a variety of ways (hopefully the new prep parents had the chance to enjoy a couple of welcome morning teas!), organise grade communicators for each teacher/grade, hold Mother's & Father's day stalls and plenty more. There is something for everyone. My first job 9 years ago was to dress up as the Red M&M for our chocolate drive!!!!!

I would like to invite you all to come along to our Annual General Meeting on the 26th March to hear more about the PFA, how it works and about our successful year in 2012 and our plans for 2013! (More details can be found on the flier in this newsletter.)

Our PFA is VERY different to Kinder committees. Any funds raised or activities/services we provide are purely to further enhance the facilities and resources at GK for the benefit of our students. I understand the reservations some people have about attending an AGM but I can personally guarantee you that no one is made to take on a position. Our core group of members has significantly decreased over the past 3 years with long standing members graduating with their grade 6 student. PLEASE don't have the attitude that someone else will do it, that someone else IS you. The more hands we get to help out the lighter the work load and the more successful our activities and services will be. Do you have any great ideas, thoughts or suggestions? If so, please bring them along too!

The PFA has hit 2013 running with all things FETE! From now until the AGM I am appealing you to assist the PFA by volunteering your time at our school fete. We only have one every two years. Can you help us raise $20,000.00? Grab a friend, call into the school office and please put your name down to help on a stall at the GK MEGA FETE Sunday 17th March.

See you on the 17th & 26th of March,

Regards,
Bridget Ramaekers (PFA President)

**Changes to the Education Maintenance Allowance (EMA) for 2013:**

The EMA continues to help families on lower incomes with financial assistance to cover the cost of educational expenses including *textbooks, stationery, uniforms* and *excursions* for their child up until the age of 16. From 2013, the Victorian Government is restructuring the EMA to better target financial support to families on lower incomes. Payments made direct to parents will be increased for eligible recipients at all year levels up to age 16, with an additional increase for parents with students in Years Prep and 7 in recognition of the additional costs at these transition points. In 2013 the annual EMA payment for families with children in primary school (years 1-6) will receive a payment of $150. Families with children in secondary school (Year 8 up until the age of 16) will receive an annual payment of $250. The School Start Bonus which was previously received by EMA families has been discontinued as a separate payment from 2013. However, additional funding has been incorporated into the EMA meaning that parents of children in Prep and Year 7 will receive boosted EMA payments of $200 and $300 respectively in those years. From 2013, the EMA will no longer be paid 50/50 between the parent and the school. The 50% school portion of the EMA will no longer be paid to schools on behalf of parents. However, $62 million over four years will be redirected to the State’s most needy schools to assist families on lower incomes. These funds will form part of the school Student Resource Packages to be allocated at the local level.

**New EMA payment option**

From 2013, on the EMA application form you can choose to have your EMA payment;

- Paid by direct deposit (Electronic Funds Transfer) into your nominated bank account or
- Paid by cheque which will be posted to the school for collection or
  **Paid to the school to be held as credit which you can use towards education expenses**

The introduction of the new payment option to have the EMA payment directed to the school provides parents with extra flexibility to assist with budgeting towards education expenses.

**Eligibility:**

To be eligible for the EMA in 2013, you must:

- be either a parent or guardian of a primary or secondary school student up to the age of sixteen; and
- be an eligible beneficiary of a Centrelink pension, allowance or benefit within the meaning of the *State Concessions Act 2004* or be a Veterans Affairs (TPI) pensioner or be a temporary foster parent. *i.e – the parent/guardian must be the holder of a valid Health Care Card or valid Pension Card.

The eligibility criteria must be met as at 29 January 2013 (Instalment One) and 15 July 2013 (Instalment Two).
